

Xuhao Du (Peter)

International Institute of Acoustics and vibration Member
International Speech Communication Association Member

email: xuhao.du@research.uwa.edu.au

phone: 0452-398-311

Language

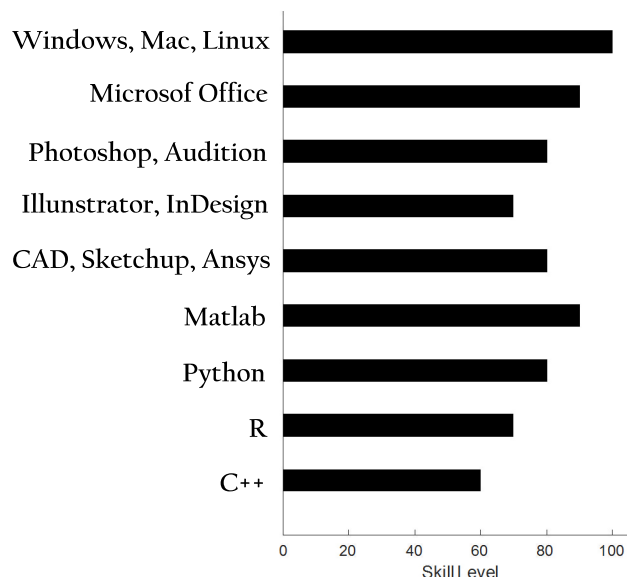

English - Third Language

Chinese - 第二语言

Cantonese - mother language

Skill

Award

- * International Postgraduate Research Scholarship
- * Australian Postgraduate Award
- * Outstanding Student Leader in Nanjing University
- * Outstanding Graduate Student in Nanjing University
- * Chairman of the Youth League in Physics School

Selected Publication

- * Qin, M., Du, X. et al 2016. A study on the optimal English speech level for Chinese listeners in classrooms. Applied Acoustics, 104, pp.50-56.
- * Du X, Ma Jia: Investigation of Noise Limitation Standardization and Evaluating the Low Frequency Noise's Influence using Online Psychoacoustics Test, the 11th International Congress on noise as Public Health Problem, June 2014, Nara, Japan
- * J. Pan, Y. X. Wang, X. H. Du, et al. 2015, Measurement and analysis of noise and vibration of 800-kV converter transformers, September 2015, International Conference on Engineering Vibration 2015
- * Jie Pan, Brian Stone, Andrew Guzzoni, Hongmei Sun, Jing Zheng, Yuhui Tong, Xuhao Du, Yingzhu Xia, Study and practice of joint teaching between ZJU and UWA, November 2015, Internoise 2015

Education

- * No.2 Middle School of Canton.
35th place among 286,000 students in China College Entrance Exam, maths part

- * Bachelor of Science of Nanjing University, major in Physics and Acoustics in Physics School (1st in China)
- * Exchange Student: University of Western Australia, school of Mechanical and Chemistry Engineering

- * Ph.D. Candidature of school of Mechanical & Chemical Engineering, University of Western Australia

Work Experience

- * Design job in Forgreener Acoustics using Visual Basic, CAD and Sketchup
- * Tutoring and lab demonstrating in Zhejiang University of a class with 70 students
- * Audio product architect in Guangzhou DUOYI Network Technology Co., Ltd
- * Lab demonstrating in UWA of a class with 96 students

- * Making friends
- * Watching and shooting movie
- * Playing basketball
- * Learning
- * Organizing activity
